### What is the Holiday Pottery Sale and Tour?

The KC Clay Guild is happy to sponsor this unique tradition in which Kansas City clay artists open their studios to the public. The Holiday Pottery Sale & Studio tour is happy to provide you with extensive opportunities for your holiday shopping.

### What Can I Expect To See?

From pottery to sculpture, from decorative to functional, if it's made of clay, you'll find it on our Holiday Tour! Clay Guild members are joined by guest artists, adding glass, jewelry, weaving, metal sculpture and silver gifts to the wide variety of handcrafted arts. The Centered Earth Gallery, located at 200 W. 74<sup>th</sup> Street will hold a preview show open to the public from November 7 – November 28, with a sampling of artwork from the Clay Guild members on the Holiday Tour.

### Where Do I Start?

You may begin the tour at any point. Studios and artists are listed by location in this brochure. Tour locations are often marked with a banner and direction signs to help you find the studios. If you have any questions about the Holiday Pottery Sale & Studio Tour, please feel free to call any of the participants (their numbers are listed by their names), or call the Clay Guild at (816) 363-1373. Hosting the largest number of artists, the KC Clay Guild will fill its home at 200 W. 74<sup>th</sup> Street with the displays of a dozen different Clay Guild members.
